Virginia PTA Opposes:

1. Vouchers By Any Name

- a. VA PTA opposes any "CHOICE" plan which would:
 - i. use public funds for private school vouchers and/or financing;
 - ii. fail to guarantee an excellent education for those students who do not, or can not "choose;"
 - iii. fail to guarantee equal access;
 - iv. cause any public school to become unable to compete as a result of student and financial loss;
 - v. lead to segregation by race, socio-economic class or disability.
- b. VA PTA opposes the use of public funds for non-public elementary or secondary education.

2. 65% Classroom Funding Requirement

- a. VA PTA opposes any changes in the Virginia Constitution that would reduce the authority and responsibility of the local school board of public school supervision or administration.
